

Dr. Rowland Reyna Retires!

Please help us in wishing Dr. Rowland Reyna wonderful and healthy retirement. Dr. Reyna has played an important part in the building of what HealthTexas is today. He will be greatly missed by his colleagues and most importantly his patients whom he loved. Dr. Rowland has personally transitioned his patients to his colleagues at the San Pedro clinic; Dr. Steven Ramos, Dr. Jose Oriz and Dr. Andrine Grant.

Alamo Heights Clinic Changes

Dr. Orlando Rodriguez will permanently move to our Las Palmas Clinic effective Feb 1st. Dr. Marie Mae Martinez has replaced him at Alamo Heights and will be available to care for all patients that do not wish to follow Dr. Rodriguez to Las Palmas. If you need any assistance with transferring your patients, please contact us.

Dr. Marie Mae Martinez
DEC # 20201-0154

Dr. Orlando Rodriguez
DEC # 20201-0091

Dr. Stella Yu Retires!

Dr. Stella Yu has truly enjoyed providing the finest primary care for the last 20+ years to many of your clients. The time has come for Dr. Yu to pursue her next phase of life slowing down and spending more time with her family. Dr. Yu's last day of seeing her patients will be February 28th. Please mark your calendars to attend her Farewell Social on Thursday, February 24th, 9 to 11am at our Wurzbach clinic. Dr. Yu feels comforted in knowing her patients will be in very capable hands with her colleagues and partners; Dr. Mae Sepulveda and Dr. James Walter. Please stop by to wish Dr. Yu a happy retirement!

Patient Navigators

What Do Our Patient Navigators Do?

Our Patient Navigators help answer any questions or concerns your clients may have regarding their healthcare and health plan. They act as a liaison by facilitating communication with your client, their physicians, and their agent. Whether your client needs assistance with a referral or help setting up transportation, our Patient Navigators are there to help!
